What Is an Annual Fund?

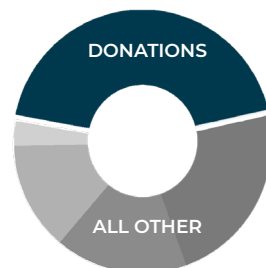

An Annual Fund is the lifeblood of most non-profits, including Hildene. Contributions to the Annual Fund make up 66% of our donated income.

Donation Sources

Revenue Fact:

Of Hildene's total annual revenue, donations are by far the largest source—nearly half of all income.

The remaining sources include admissions, private functions, programming and The Museum Store.

Is My Donation Tax Deductible?

We are a registered 501(c)3 which makes your contributions tax deductible.

Why Should I Donate?

Whether or not you are a member of Friends of Hildene, your contribution to the Annual Fund keeps us going and is key to our continued success.
