### The Magic of Flowers

Hildene is famous for its gardens and gorgeous flowers, among many other things of course! This immersive experience at Hildene Farm truly captures the magic of the dene and its stunning array of growing flora—unique Hildene cultivars, pollinators, edible, and simply beautiful flowers!

Join Hildene Farm Gardens Manager & Educator Ann Ogden Hausslein for flower picking and arranging at the greenhouse in the dene. This unique experience will start with a scenic wagon ride and could be in the early morning when the dew is sparkling on the fields or in the late afternoon when the landscape is drenched in golden light. Either way, all your guests will enjoy drinks, farm-fresh snacks, and a bouquet of fresh flowers to take home.

*Up to 16 guests, for 2 hours  
September–October 2024  
or July–October 2025*

### Happy Hour Couldn't Be Any Happier

Imagine hosting your next cocktail party in magnificent Lincoln Hall as the sun is setting over the Taconic Mountains and the moon is rising over the Green Mountains—a perfect setting to celebrate your next birthday, anniversary, graduation, engagement, family gathering, etcetera. Who needs a reason to have a party?!

Want to mix it up a bit? This evening could include a mixology demonstration to take your cocktail and mocktail game to the next level. Or bring your creative ideas and we will make this cocktail party uniquely yours.

*Up to 50 guests, for 2 hours, includes signature cocktail and mocktail, premium wines, local craft beers, and passed hors d'oeuvres, catered by Pangaea.*

### A Midsummer Night's Dream

The pleasure of your company is requested for cocktails and a dinner party under the stars! Please join Chef Erik Peckel and Hildene Farm Gardens Manager & Educator Ann Ogden Hausslein for an elegant farm-to-table dinner in the dene.

Your evening will begin with drinks on a wagon ride through the meadows at sunset, then hors d'oeuvres in the garden in the dene at twilight, followed by dinner under the stars. From the gorgeous flowers to the gourmet three-course dinner, this evening is a chance for you and your guests to experience a one-of-a-kind evening on the farm.
