

For the past fifteen years, Hildene has administered the Lincoln Essay Competition informed by our mission: *Values into Action*. Using Abraham Lincoln's legacy as touchstone, Hildene seeks to inspire young people to tackle important issues, underscoring the responsibility each of us has to help make our world a better place. The competition is open to all eighth graders who study in the state of Vermont, whether through an institution or at home, or whose primary residence is in the state of Vermont. Essays will be judged on the student's understanding of the subject, as well as by their ability to convey that understanding through good writing.

2022 PROMPT:

What gives YOU hope?

Identify a challenging issue facing humanity today, whether at the local, state, national, and/or global level.

Express why this issue matters to you.

Investigate a scientific, legislative, technological, or other type of solution that is currently being proposed or employed to address the issue.

Explain what it is and why it holds promise as part of the solution to the problem.

Inspiration:

"We can succeed only by concert. It is not 'can any of us imagine better?' but, 'can we all do better?' The dogmas of the quiet past are inadequate to the stormy present. The occasion is piled high with difficulty, and we must rise with the occasion. As our case is new, so we must think anew, and act anew."
- 1862 Second Annual Message to Congress, President Abraham Lincoln

In his speech to Congress, President Lincoln was rallying Americans to save the Union by supporting his plans on many initiatives—freeing those enslaved, being foremost among them. His impassioned plea to come together to make bold choices could as easily be asked of all people today. The purpose of this year's prompt is to invite you to examine ways in which people are "rising to the occasion" today in response to any number of challenging issues.

The competition is regional. There will be a first, second, and third place winner from each of four regions. Occasionally there are ties. The judges may also select up to four essays for honorable mention from anywhere in the state. As always, essays remain anonymous throughout judging. Students should enter the competition according to the region in which their school is located. If the student is homeschooled or their designated school is across state lines, they should enter according to the region where they live in Vermont. Regions are comprised of counties:

Region One:	Grand Isle, Franklin, Orleans, Essex, Lamoille, Caledonia, Washington
Region Two:	Chittenden
Region Three:	Addison, Rutland, Bennington
Region Four:	Orange, Windsor, Windham

Winners will receive certificates and cash prizes, as follows:

Second Place Winners:	\$400 each	Up to four Honorable Mentions:	\$200 each

While it is always fun to win, the reality is that not everyone will win a prize. We hope you'll nurture a sense of pride in developing this skill which will surely be useful throughout your lives. Whether you win an award or not, this competition is very challenging and you are to be commended for making your best effort to offer a genuine response.
